## Terms and Conditions - Water Heater and Drain Water Heat Recovery Incentives

### Eligibility Criteria for Water Heaters:

1. The water heating equipment must be electric.
2. Water heaters must be used for domestic water heating only and cannot be used in conjunction with radiant space heating systems (e.g. boiler for in-floor or baseboard heating).
3. Electric water heaters not supplemented by geothermal equipment must be energized.
4. There is a limit of two resistance storage water heater unit rebates and three total water heater rebates per home.
6. Heat pump water heaters must be ENERGY STAR® qualified units.
7. Electric storage water heaters must have GAMA/AHRI certified capacity and energy factor ratings. (.94 or higher if tank is less than 80 gallons; .92 or higher if tank is 80 + gallons.)

### General Terms and Conditions

The Cooperative must supply all electricity to the equipment for which the rebate is being paid.

**Application Information:** Missing or incorrect information on the application may delay processing and delivery of the rebate. An invoice is required and should include specific product information, including the brand, model, serial number and date of purchase of the energy efficient measures. Other information including manufacturer's equipment performance sheets may be required upon request.

The Cooperative reserves the right to verify sales transactions and to have reasonable access to the Member's facility to inspect pre-existing equipment (if applicable) and energy efficient measures installed under this program.

**Warranty Information:** The Cooperative makes no warranties, expressed or implied, with respect to equipment operation, material, workmanship or manufacturing. The Cooperative does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this program.

**Limitation of Liability:** The Cooperative's liability in connection with this program is limited to paying the rebate specified when all terms and conditions have been satisfied. Under no circumstances shall the Cooperative be liable for any consequential or incidental damages or tax liability resulting from participation in this program.

**Participant Certification:** Participating Member certifies that he/she purchased and installed the equipment listed on their application at the defined location served by the Cooperative. The Member agrees that all information provided is true and that he/she has conformed to all program requirements. If the equipment and application does not comply with the Cooperative's rules and qualifications, the rebate amount may be denied or adjusted.

**Program Changes/Termination:** The Cooperative reserves the right to extend, modify (including incentive levels) or terminate this Program at any time without prior or further notice. The Member is responsible for checking with the Cooperative to determine whether the program has been changed or is still in effect.

**Members must apply for rebates within six (6) months of the purchase date (as shown on the Member's invoice).** Past eligibility, however, does not guarantee that equipment will meet criteria for current programs in effect. Rebate only available for qualifying high efficiency electric water heaters purchased from somewhere other than Midland Power.
